

2016 Construction Season Weekly Update:
Date: April 29, 2016

Project: Grand Avenue – Street and Utility Improvement Project
Limits: Albert Street to Island Street

Clearing and tree removal began this week along this project. Xcel Energy is also relocating gas main along the entire project. Starting Monday May 2, 2016 please note that there will be temporary closures of the intersection of Island Street and Grand Avenue for underground utility installation. As soon as work permits the intersection will be re-opened under a base course condition. No detour is being planned at this time.

Anticipated Project Completion: July 2016

Project: Chippewa Riverfront
Limits: Chippewa Riverfront – Park and Street Improvements

The Chippewa Riverfront project is scheduled to begin the week of May 2, 2016. Clearing and tree removals are scheduled to begin next week. Grading and underground utility installation are scheduled to follow.
