RECYCLING IN THE CITY OF CHIPPEWA FALLS

The City of Chippewa Falls promotes recycling by providing curbside pickup for residents in the City. The City has assigned the exclusive single contract for curbside household recycling collection to GFL.

The purpose of the recycling contract is for the hauler to collect and transfer recyclables from single family homes, 2-4 unit residential dwellings and mobile home parks in the City of Chippewa Falls.

The goal is to increase the volume of recyclables and maintain high quality.

To request a recycling cart or report missed pickups, call GFL, the City of Chippewa Falls' recycling hauler, at 715-669-3868 or visit gflenv.com.

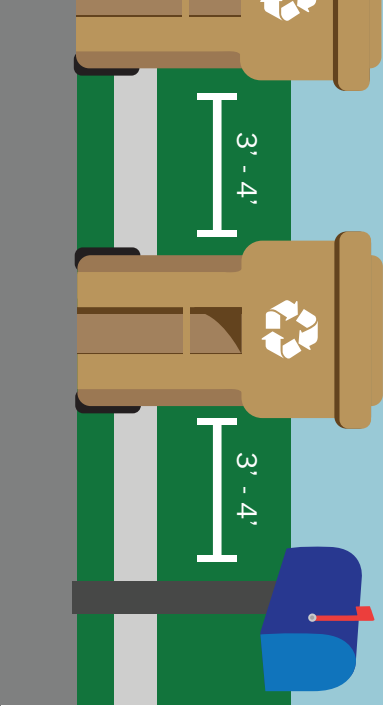

For more information, concerns or to request brochures about City of Chippewa Falls recycling program call 715-726-7999.

CART PLACEMENT GUIDELINES
