Subject: Proposal for Wellness Committee Event for City of Chippewa Falls Employees

Dear City Council Members,

As representatives of the Wellness Committee for the City of Chippewa Falls, we are excited to propose a wellness event aimed at promoting employee well-being and fostering a sense of community amongst the City employees. We envision hosting this event on the same day as the upcoming Safety Committee Picnic in August, providing an opportunity for employees to engage in outdoor activities such as corn hole, kickball, and Frisbee golf after enjoying their meal.

The primary objectives of this wellness event are as follows:

1. **Promotion of Physical Health:** Encouraging employees to participate in outdoor activities promotes physical fitness and overall well-being.
2. **Enhancement of Team Cohesion:** Participating in recreational activities fosters a sense of camaraderie and teamwork among employees, which can positively impact morale within the workplace.
3. **Stress Reduction and Mental Well-being:** Offering dedicated time for outdoor activities during the workday allows employees to unwind, recharge, and connect with coworkers they don't often see.
4. **Work-Life Balance and Employee Satisfaction:** Providing opportunities for employees to participate in wellness activities during paid work time demonstrates our commitment to supporting their well-being and promoting a healthy work-life balance.

We are suggesting that the Safety Picnic/Wellness Event be held at Casper Park to accommodate the addition of these proposed activities. Last year's Safety Committee Picnic was held at Irvine Park from 11:30 am to 1:00 pm. It has always been the unwritten rule that you take your normal half-hour lunch break to enjoy the lunch. We are asking that employees are allowed to stay longer to have some fun! We would like to extend the time to 2:00 pm.

We would like to emphasize that there will be no additional cost to the City for hosting this event as our Parks and Recreation Department has all the equipment needed.

We respectfully request the City Council's support in approving our proposal. We are confident that by coordinating this event in conjunction with the Safety Committee Picnic, we can create a memorable and impactful experience for all employees of the City of Chippewa Falls.

Sincerely,

The City of Chippewa Falls Wellness Committee
